✓ Objective

"As a Full Stack Developer, I build high-performance web applications by seamlessly integrating frontend and backend technologies. At Codetek Software Solutions, I enhanced user engagement by 30% with optimized React.js interfaces. Now, I specialize in developing scalable solutions using React.js, Node.js, Express.js, and MongoDB. Passionate about clean code, UI/UX excellence, and backend efficiency, I thrive on solving complex challenges and continuously expanding my technical expertise. My skills include HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, and a keen eye for UI/UX design, all driving my passion for creating exceptional digital experiences!"

✓ Experience

- Codetek Software Solutions** September 2024 - Present
Full stack developer
Experienced Full Stack Developer with a strong background in designing, developing, and maintaining high-performance web applications using React.js, Node.js, Express.js, and MongoDB. Adept at building scalable frontend UIs, robust backend APIs, and optimizing databases for high efficiency. Passionate about writing clean, maintainable, and efficient code while following best practices.

Key Skills:
Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap
Backend: Node.js, Express.js, RESTful APIs
Database: MongoDB, Mongoose
Authentication & Security: JWT, OAuth, bcrypt
Version Control: Git, GitHub
Testing & Debugging: Postman
- Codetek software solutions** June 2024 - September 2024
Frontend developer
Developed responsive web applications using HTML, CSS, and JavaScript, enhancing user experience across devices.
Collaborated with designers to implement UI components using React.js, improving loading times by 30%.
Conducted thorough testing and debugging to ensure cross-browser compatibility and optimal performance.
Participated in Agile sprints, contributing to project planning and code reviews to maintain high-quality standards.
Utilized version control systems like Git to manage project versions and collaborate effectively with team members.
Created and maintained documentation for code and development processes to streamline onboarding for new developers.
Developed modular, reusable components that reduced code duplication and improved maintainability.
Optimized web performance by implementing lazy loading and image compression techniques, resulting in faster load times.
Mentored junior developers on best practices in frontend development and code optimization techniques.

✓ Education

- Cardinal Gracious High School** 2017
SSC
8.5
- Narayana Junior College** 2019
Intermediate in MPC
919
- Siddhartha Institute of Engineering and Technology** 2023
Bachelor of technology in Electronics and Communication Engineering
7.2

✓ Skills

- HTML
- JavaScript
- React.js
- Node.js
- Express.js
- MongoDB
- CSS
- Bootstrap
- Manual testing
- Test case design and execution
- Bug Tracking and Reporting
- Functional and Regression Testing
- Problem solving
- Attention to Detail
- Team Collaboration
- Adaptability
- Communication
- Java

✓ Projects

• **Personal Portfolio Website**

Create a portfolio site that highlights your skills, projects, and experience. Use modern design principles and responsive design.

• **E-commerce Store**

Build a fully functional e-commerce website using a frontend framework. Include features like product listings, a shopping cart, and user authentication.

• **Blog Platform**

Develop a blog site where users can create, read, update, and delete posts. Implement user authentication and comments functionality.

• **Real-time Chat Application**

Use WebSocket to build a chat app where users can communicate in real-time. Implement user authentication and chat rooms.

• **Interactive Quiz App**

Develop a quiz application with different categories and scoring mechanisms. Use local storage to save user scores.

✓ Achievements & Awards

- Certified JAVA Developer Associate JDAC-24 and showcased an exceptional understanding of Java's core concepts and programming paradigms

✓ Languages

- Telugu
- English
- Hindi

✓ Personal Details

- Date of Birth : 04/07/2001
